

14.07. 2021 /Draft8

Preliminary program of IAHA Pre-Conference on “Organic Animal Husbandry systems – Ways to improvement ” on 6 - 7 September 2021 in Rennes / France

linked to the 20th Organic World Congress of IFOAM,
planned as mixed video & on-site conference (if possible due to Corona situation)

Instruction for participants:

Oral presentations: 12 minutes + 3 min questions

Poster presentations: 3 minutes + 1-2 questions then time to return and ask further questions

Monday, 6th September 2021

	08:30-	REGISTRATION		<i>Nr.</i>
	09:00 - 10:30 9.00 OS 9.05 Fr 9.10 GS 9.25 FC 9.40 MC 9.55 IA 10.10 open	PLENARY I: Organic Animal Husbandry systems – development and challenges in different contexts and macro-regions Opening by organisers: Otto Schmid, IAHA Chair Official welcome: French representative (<i>not determined yet</i>) Speakers with International perspectives – <ul style="list-style-type: none"> - Gidi Smolders: Options and challenges for certified organic milk production in East African mixed smallholder farms - Fabián Cruz, Gustavo Ruiz, Milena Uribe, Germán León: Model of sustainable livestock systems in a rural community in the Colombian Andean region through social appropriation processes - Mahesh Chander: Promoting Organic livestock production: Supporting the growing number of start-ups - İbrahim Ak & Metin Guldaz: Organic Livestock Production in Turkey <i>Moderator: Otto Schmid, IAHA Chair</i>		33 50 21
	10:30 - 11:00	Coffee Break		
	11:00 - 12:00	Session 1 <i>Moderator: Chris Atkinson</i>	Improving organic cattle systems	
Monday – 06. Sept. 2021	11.00	Lisbeth Mogensen, T. Kristensen, C. Kramer, A. Munk, P. Spleth, M Vestergaard	Production of organic beef from dairy male calves – aiming at reduced carbon footprint	48
	11.15	Anna Bieber and Anet Spengler Neff	Effect of calf rearing with mother contact compared to bucket feeding on health and welfare of calves	12 <i>PYS</i>
	11.30	Mette Vaarst , Cynthia Verwer, Caroline Constancis, Kristen Sorheim, Juni Rosann, E. Johanssen	‘Whose views and ways are changing?’ Perspectives of change and transition related to cow-calf contact systems in European dairy farming	<i>GD</i>
	11.45	<i>Jesper Overgård Lehmann & Lisbeth Mogensen</i>	<i>Mother-bonded calf rearing in organic milk production: Lessons from pioneer farmers in northern Europe (POSTER)</i>	37 <i>GD</i>

Monday -06 Set.2021	11.50	<i>İbrahim Ak, H. Umur, M. Guldaz, A. Deniz, S. Kara, H. Hanoglu</i>	<i>General conditions of organic cattle farms in Turkey (POSTER)</i>	
	11.55	Discussion		
	12.10	Session 2 <i>Moderator: Mahesh Chander</i>	Organic production and product and process quality	23
	12.10	Sedef Ziyank Demirtas, M. Guldaz, E. Yildiz, O. Gurbuz	Antihyperlipidemic and anti-oxidant properties of CLA of grass fed milk&meat	
	12.25	Muazzez Cömert Acar, Yılmaz Şayan, Erdal Yaylak, Taner Kulay	Chemical Meat Quality Characteristics of Anatolian Merino and Polatili Lambs under organic management	
	12.40	Ulfat Urdal Hulya Hangolo	Comparison of yield and protein value of organic cottonseed hulls in two different rotation systems (itle to be confirmed)	
	12.55	Discussion		
	13.00-14:00	Lunch		
	14:00-15:00	Session 3 <i>Moderator: Mette Vaarst</i>	Sustainable livestock rearing and breeding systems	
	14.00	U. Dickhoefer, E Velasco, S. Binder, B. Egle, C. Nieland, S: Griese, J. Werner	Variability in forage biomass on extensive pastures and productivity of grazing cows on organic dairy farms in South Germany during a dry year	47
	14.15	Monique Bestman, T. van Niekerk, E. N. de Haas, V. Ferrante, S. Gunnarsson	Parasitic worms in organic laying hens – Relation with range use	6
	14.30	Patrick Veysset, M. Gautier, J. Grenier	Efficiency of ruminants' organic farming systems: Specialized grass systems perform better than mixed crop-livestock	18
	14.45	Vincent Bellet, C. Experton, A. Gac, M. Benoit	Are French organic meat sheep farms more sustainable than conventional ones?	

	15.00	Marc Benoit, G. Martin, G. Bernes, M. Blanc, C. Brock, M. Destruel, B. Dumont, M. Fuselier, M. Grillot, E. Lang, M.-A. Magne, T. Meischner, M. Moerman, M. Moraine, B. Oehen, D. Parsons, R. Primi, L. Schanz, L. Steinmetz, P. Veysset, C. Winckler	A typology of European organic multi-species livestock farms	8 MI
	15.15	Svenja Puls	<i>Promoting and inhibiting factors for the establishment of organic animal breeding - an exploratory study on initiatives from Germany and Switzerland (POSTER)</i>	
	15.20	Additional Discussion time		
	16:00-16:30	Coffee Break		
Monday – 06. Sept. 2021	16.00-17.30	Session 4 <i>Moderator:</i> Marion Johnson	Animal health management and use of bioactive medicinal plants and other alternative therapeutics	
	16.00	Caroline Chylinski, M. Borthwick, D. Michie, B. Moeskops, V. Mitschke, I. Lang, S. Fittje, Á. Morell Pérez, O. Tavares, C. Experton, A. Fauriat, S. Athanasiadou	Patterns of allopathic medicine use in European organic livestock farms	
		Catherine Experton, O. Tavares, A. Fauriat, P. Sulpice, E. Chemin, L. Duperray, B. Lemaire, C. Chylinski, S. Athanasiadou, David R. Yañez-Ruiz, K. Still, M. Walkenhorst, V. Maurer	Replacement of antibiotics in livestock production – the contribution of the Horizon 2020 project RELACS	31
	16.30	M N Balakrishnan Nair, N. Punniamurthy and S. K. Kumar	Ethno-veterinary sciences and practices for reducing antibiotic residue in milk	32
	16.45	Natesan Punniamurthy, MNB. Nair, SK Kumar	Ethnoveterinary herbal approach for organic livestock production without antibiotics: Pan-Indian success	41
	17.00	Discussion		

Monday – 06 Sept. 2021	18:15 –	Departure for farm visit by bus <i>(ca. 45 minutes)</i>
	22.30	Driving back to Rennes
		Visit of farm
		Afterwards dinner on the farm

Tuesday, 7th September 2021

	09:00 - 10.30	Session 5 <i>Moderator:</i> <i>Barbara Früh</i>	Sustainable livestock rearing and breeding systems for pigs	
Tuesday 07. Sept. 2021	9.05	Anna Jenni , M. Holinger, B. Früh, D. Bochicchio , A. G. Kongsted , R. Thomsen	Case studies on innovative combined indoor/outdoor organic pig systems	<i>27</i> <i>PO</i>
	9.20	Anne Grete Kongsted, H. M.-L. Andersen, E. Salomon, I. Sillebæk Kristensen	Pigs integrated in cropping systems to support a sustainable and diversified organic meat production	<i>17</i>
	9.35	Cäcilia Wimmeler, M. Holinger, M. Knoll, H. M.-L. Andersen, R. Thomsen, D. Bochicchio, A. G. Kongsted, C. Leeb	Multi-centre approach to improve outdoor runs for organic pigs: Preliminary results of on-farm experiments	<i>43</i> <i>PO</i>
	9.50	E. Merlot, M. Pauwels, G. Hervé, V. Muller, C. Belloc, A. Prunier	Do piglets need iron supplementation in organic farms?	<i>32</i>
	10.05	Antoine Roinsard	Title not confirmed	
	10.20	<i>Maria Eskildsen, U. Krogh, A.G. Kongsted, P.K Theil</i>	<i>Fresh grass-clover intake in summer and energy requirements of organic sows in winter and summer (POSTER)</i>	<i>7</i>
	10.25	<i>Katharina Heidbüchel, L. Baldinger, R. Bussemas</i>	<i>Behavioural observations of piglets in an organic free farrowing pen (POSTER)</i>	<i>24</i>
	10.30-11.00	Coffee Break		

11.00 - 13:00	Small Group thematic workshops	RECOMMENDATION Sessions - development and research and dissemination needs Recap of papers given (10 minutes) Discussion (80 minutes), Conclusions and recommendations (30 minutes)	
Group A	Moderator: Mette Vaarst Rapporteur: Anna Bieber	Sustainable and animal welfare-friendly cattle production – the cow-calf management and feeding systems - what do we know and what is needed?	
Group B	Moderator: Marion Johnson Rapporteur: Nitya Gotye	Research and dissemination needs for animal health strategies and the use of complimentary medicines	
Group C	Moderator: Barbara Früh Rapporteur: Anne Grete Kongsted	Organic pig production – what do we know and what is needed?	
Group D	Moderator: Mahesh Chandler Rapporteur: Chris Atkinson	Development and research needed for organic animal husbandry policies <i>(eventually in the form as special declaration for IFOAM General Assembly)</i>	

	13.00.- 14.00	Lunch
	14.00 - 15:30 3x 30 mins	PLENARY SESSION II: Part I: The future of animal husbandry – perspectives from farmers and a (climate) scientists 3 key note speakers: participation not yet confirmed <i>Moderators: Mette Vaarst & Marion Johnson</i>
	15.30 - 16:15	PLENARY SESSION III: Part II: Conclusions <ul style="list-style-type: none"> - Reports of seminar group discussions - Final conclusions and recommendations for OWC-Workshop - Declaration on organic Animal Husbandry for IFOAM General Assembly - Acknowledgments of organizers <i>Moderators: Otto Schmid and Mahesh Chander</i>
