* note : *Convenors & assistant Convenors* in Latin America & Caribbean are now known as *Antena & Antenita* (or *Antenito*) respectively.

**note : The numbers of farming families given here are those declared at registration desk. The numbers declared in Assembly (see report) concern also various other categories : (own organisation's members, individually or collectively certified, converting, PGS, traditional subsistence, semi-subsistence, national statistics et cetera)
