

COP24 Katowice 2018

SPEED [↑] UP THE COOL DOWN.

Scaling up Regenerative Solutions to Climate Change

This event showcases concrete solutions and frameworks to accelerate carbon sequestration, food sovereignty and biodiversity preservation. It includes scaling up agroecology, consumer campaigns, true cost accounting and policy change to create resilient communities and ecosystems.

COP24 Katowice

Wed, 12 Dec 2018
11:30-13:00
Room: Narew
