

TIPI member assembly successfully conducted

After the [pre-conference](#) on 08 November 2017, TIPI successfully conducted its member assembly.

New version of the statutes approved

With a total of 24 valid votes, the member assembly reached the quorum (minimum 16 valid votes) and was thus entitled to vote on the revision of the statutes and to elect a new Council. The member assembly unanimously approved the new version of the statutes. The major change to the previous version is that from now on, all IFOAM affiliates (associates, supporters and members) have full voting rights in TIPI. Other changes mainly concerned the consistent use of terminology.

New Council elected

With the Exception of Nazim Uddin, all members of the Council that had served in the previous period (2014 – 2017) were re-elected for another three-year term (2018 – 2020). Nazim Uddin is replaced by Olugbenga Oluseyi Adeoluwa. We thank Nazim Uddin for his service and wish him all the best for the future. Information about the new Council can be found [here](#).
